- (a) the Macroeconomic Framework Statement;
- (b) the Medium Term Fiscal Policy Statement; and
- (c) the Fiscal Policy Strategy Statement.

6. Macroeconomic framework statement. - The macroeconomic framework statement, in such form as may be prescribed, shall contain an overview of the State economy, an analysis of growth and sectoral composition of GSDP, an assessment related to State Government finances and future prospects.

7. Medium term fiscal policy statement. - (1) The medium term fiscal policy statement shall set forth a three-year rolling target for the prescribed fiscal indicators with clear enunciation's of the underlying assumptions.

(2) In particular and without prejudice to the provisions contained in subsection (1), the medium term fiscal policy statement shall include the various assumptions behind the fiscal indicators and an assessment of sustainability relating to -

- (i) the balance between revenue receipts and revenue expenditure;
- (ii) the use of capital receipts including borrowing for generating productive assets; and

- (iii) the estimated yearly pension liabilities worked out on actuarial basis for the next ten years :

Provided that in case it is not possible to calculate the pension liabilities on actuarial basis during the period of first three years after the coming into force of this Act, the State Government may, during that period, estimate the pension liabilities by making forecasts on the basis of trend growth rates.

8. Fiscal policy strategy statement. - The fiscal policy strategy statement shall be in such form as may be prescribed and shall contain, inter alia -

- (i) the fiscal policies of the State Government for the ensuing year relating to taxation, expenditure, borrowing and other liabilities (including borrowings by public sector undertakings and special purpose vehicle and other equivalent instruments whereby liability for repayment is on the State Government), lending, investments, other contingent liabilities, user charges on public goods/utilities and description of other activities, such as guarantees and activities of public sector undertakings which have potential budgetary implications;
- (ii) the strategic priorities of the State Government in the fiscal area for the ensuing year;
- (iii) the key fiscal measures and the rationale for any major deviation in fiscal measures pertaining to taxation, subsidy, expenditure, borrowings and user charges on public goods/utilities; and
- (iv) an evaluation of the current policies of the State Government vis-a-vis the fiscal management principles set out in Section 4, the fiscal objectives set out in the medium term fiscal policy statement in sub-section (1) of Section 7 and fiscal targets set out in Section 9.

9. Fiscal targets. - (1) The State Government may prescribe such targets as may be deemed necessary for giving effect to the fiscal management objectives.

(2) In particular, and without prejudice to the generality of the foregoing provisions, the State Government shall -

- [(a) bring out annual reduction in revenue deficit from the financial year 2005-06, so as to bring it down to zero by 2008-09 and generate revenue surplus thereafter;]
- [(b) bring out annual reduction in fiscal deficit from the financial year 2005-06, so as to bring it down to 3% of GSDP by the year ending March, 2009;]
- (c) ensure within a period of five years, beginning from the financial year 2005-06 and ending on 31st March, 2010, that the outstanding total debt including contingent liabilities do not exceed 28 per cent of the estimated GSDP for that year :

Provided that revenue deficit and fiscal deficit may exceed the limits specified under this section due to ground or grounds of unforeseen demands on the finances of the State Government arising out of internal disturbance or natural calamity or national security or such other exceptional grounds as the State Government may specify :

Provided further that a statement in respect of the ground or grounds specified in the first proviso shall be placed before the House of the State Legislature, as soon as may be, after such deficit amount exceeds the aforesaid targets;

[(d) bring out annual statement giving prospects for the States economy and related fiscal strategy; and

(e) bring out special reports along with the budget giving details of number of employees in Government, public sector and aided institutions and their related salaries.]

10. Measures for fiscal transparency. - (1) The State Government shall take suitable measures to ensure greater transparency in its fiscal operations in the public interest and minimise as far as practicable, secrecy in the preparation of the budget.

(2) In particular, and without prejudice to the generality of the foregoing provisions, the State Government shall, at the time of presentation of the budget, make disclosures on the following, along with detailed information in such forms as may be prescribed :-

(b) details of borrowing by way of ways and means advances/overdraft availed of from the reserve Bank of India.

(3) Whenever the State Government undertakes unconditionally and substantially to repay the principal amount and/or pay the interest of any separate legal entity, it has to reflect such liability as the borrowing of the State.

11. Measures to enforce compliance. - (1) The Minister-in-Charge of the Department of Finance (hereinafter referred to as "Minister of Finance") shall review, half yearly, the trends in receipts and expenditure in relation to the budget estimates and place before the House of the State Legislature, the outcome of such reviews.

(2) whenever there is either shortfall in revenue or excess of expenditure over the intra-year targets mentioned in the fiscal policy strategy statement or the rules made under this Act, the State Government shall take appropriate measures for increasing revenue and/or for reducing the expenditure, including curtailment of the sums authorised to be paid and applied from out of the Consolidated Fund of the State :

Provided that nothing in this sub-section shall apply to the expenditure charged on the Consolidated Fund of the State under Clause (3) of article 202 of the Constitution of India or any other expenditure, which is required to be incurred under any agreement or contract, which cannot be postponed or curtailed.

(3)(a) Except as provided under this Act no deviation in meeting the obligations cast on the State Government under this Act shall be permissible without approval of the State Legislature.

(b) Where owing to unforeseen circumstances, any deviation is made in meeting the obligations cast on the State Government under this Act, the Minister of Finance shall make a statement in the House of the State Legislature explaining -

(i) any deviation in meeting the obligations cast on the State Government under this Act;

(ii) whether such deviation is substantial and relates to the actual or the potential budgetary outcomes; and

(iii) the remedial measures, the State Government proposes to take.

(4) Any measures proposed in the course of the financial year, which may lead to an increase in revenue deficit, either through increased expenditure or loss of revenue, shall be accompanied by a statement of remedial measures, proposed to neutralise such increase or loss and such statement shall be placed before the House of the State Legislature.

(5) The State Government may set up an agency [***] to review periodically the compliance of the provisions of this Act and table such reviews in the House of the State Legislature.

12. Protection of action taken in good faith. - No suit, prosecution or other legal proceedings shall lie against the State Government or any office of the State Government for anything which is in good faith done or intended to be done under this Act or the rules made thereunder.

13. Application of other laws not barred. - The provisions of this Act shall be in addition to, and not in derogation of, the provisions of any other law for the time being in force.

14. Power to remove difficulties. - (1) If any difficulty arises in giving effect to the provisions of this Act, the State Government may, by order published in the Official Gazette, make such provisions not inconsistent with the provisions of this Act as may appear to be necessary for removing the difficulty :

Provided that no order shall be made under this section after the expiry of two years from the commencement of this Act.

(2) Every order made under this section shall be laid, as soon as may be after it is made, before the State Legislature.

15. Power to make rules. - (1) The State Government may, by notification in the Official Gazette, make rules for carrying out the purposes of this Act.

(2) In particular, and without prejudice to the generality of the foregoing power, such rules may provide for all or any of the following matters, namely :-

- (a) the form of the macroeconomic framework statement under Section 6;
- (b) the form of medium term fiscal policy statement, including the rolling targets for the fiscal indicators under Section 7;
- (c) the form of fiscal policy strategy statement under Section 8;
- (d) the forms of disclosure under sub-section (2) of Section 10;
- (e) measures to enforce compliance;
- (f) the manner of review of compliance of the provisions of this Act by the independent agency under Section 11; and
- (g) any other matter which is required to be, or may be, prescribed.

(3) Every rule made under this Act shall be laid, as soon as may be, after it is made, before the House of the State Legislature, while it is in session. If the House agrees in making any modification in the rule or the House agrees that the rule should not be made, the rule shall thereafter have effect only in such modified form or be of no effect, as the case may be, however, that any such modification or annulment shall be without prejudice to the validity of anything previously done under that rule.
